

The Monthly Catch-Up

AFTERNOON SOCIAL GROUPS

As part of our mission to provide quality ABA services, we have revamped our afternoon sessions to not only include more activities but more opportunities for our kiddos to participate in social interactions and acquire new skills. Our Afternoon Social Group incorporates one-on-one DTT time, structured outdoor activities, and social groups. The social group is led by our highly experienced Behavior Therapists who teach our kids a variety of social behaviors such as how to interact appropriately with others. This can help kids learn conversational skills, problem-solving skills, accountability, and emotion recognition. It is a great way for kiddos to continue learning, all while having fun and building friendships with their peers.

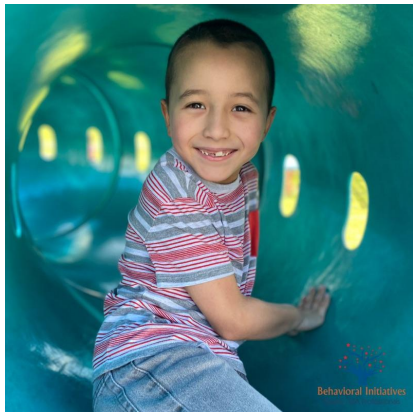

Carpool Safety Rules

It is important that we all work together to have a safe and efficient carpool system. If you are the first car in the carpool line, please stop when you arrive at the end of the sidewalk in front of the building. All other cars must pull all the way forward when in the carpool lane and come to a complete stop directly after the car in front of you. Parents must stay inside of the car at all times during pickup and drop-off so we can have a safe and efficient carpool system.

Please refrain from engaging in lengthy discussions with the staff during carpool, it is essential that we keep the carpool moving and running efficiently. If you need to have a discussion with a staff member, please park and let them know ahead of time! Be mindful that our staff members have other appointments with other clients to get to.

BI Superstars of the Month

Lael

Lael has been making strides these past few months. She is speaking more and more everyday. She is able to request a variety of items that she wants, especially hugs. She is doing a fantastic job identifying pictures by their function, color, etc. We are so proud of you Lael!

Karter

Karter has made great strides during his time at BI. Recently, he has become more vocal and is now able to say several new words! He is also starting to sound out simple words. Karter is doing excellent in our afternoon social group. He loves to play with his peers and learn new games. We are so proud of you Karter. Keep up the great work!
