

## Behavioral Initiatives

Quality ABA Professionals

October is a fun month filled with lots of fall activities and celebrations. It provides us with a great learning opportunity to educate our kiddos on a variety of topics that better help them understand the change in season, weather, the colors of the trees, and so much more! These learning opportunities also incorporate lots of fun arts and crafts activities that help fuel our kiddos' creativity and knowledge. Alongside all of the educational activities, we hosted our second annual Spooky Week, where our kiddos and staff dressed to a different theme every day, such as Wild West Wednesday and Sports Day Swag. We also had the opportunity to bring therapy dogs to our center, where our kiddos could spend one-on-one time playing with and petting the dogs. Lastly, we transformed our Administration Office into a Spooktacular Halloween Trick-or-treating Adventure. It was a sincere joyful month at the center, filled with lots of smiles and laughter.

Check out some of our favorite memories from October's festivities below, or follow us on our social media to stay updated with our daily activities!

## BI Superstars of the Month!

### Luca R.

Luca has made great progress since starting with BI! When he

joined us, he had no reliable form of communication. Luca is now using PECS fluently to request the items he wants and we've seen a decrease in his problem behavior related to communication. Luca has also spontaneously said words like ball and bubble! He is doing well following one-step instructions and does great with motor imitation. We are so proud of the progress he's made

### **Lael L.**

Lael has been making strides this month with giving eye contact when calling her name. She has been showing improvements with different vocalizations. She has shown lots of improvement in motor imitation. She is doing a fantastic job identifying pictures. Lael is doing a great job of sitting nicely at the table and following one-step instructions. Way to go, Lael!

## **ATTENTION PARENTS!**

### **Our center will be closed on the following days:**

Thursday, November 25th - Thanksgiving Day  
Friday, December 24th - Christmas Eve  
Friday, December 31st - New Year's Eve
