

HELLO Autumn

Fall is finally here! The meaning of fall is different for everyone. From pumpkin patches to haunted houses there is something for everyone to enjoy. It also welcomes the beginning of the holiday season, which is the time of the year that brings us all together. This past month, we did just that! The BI team and extended family came together for a greater cause. We participated in the Autism Speaks Walk Event to fuel innovative research and make connections to critical lifelong supports and services for the autism community. We would like to thank everyone who participated and donated. Thanks to you we met and exceeded our Fundraising goal!

Come in wearing your Halloween costume

BI Superstars of the Month

Gavin C.

Hip Hip Hooray for our superstar Gavin! He is doing awesome with sustaining longer conversational exchanges about familiar topics. He is doing great with initiating and responding to greetings as well as engaging in a variety of games with his peers. He is doing much better with waiting for peers to respond to him when he asks for an item. Gavin has made great strides with his behavior when transitioning from highly preferred to non -preferred activities. Way to go Gavin! We are so proud of you.

Cameron C.

Hip Hip Hooray for our superstar Cameron! He is doing great playing games such as musical chairs, red light/green light, and Zingo with his friends. He is doing awesome answering Wh questions and beginning to ask questions as well. He is practicing deep breathing much more often to help him calm down and move on. He has improved greatly with tolerating transitions. Way to go Cameron! We are so proud of you.
